Privacy Policy

Objective

Aultman Speech Therapy Services, LLC has adopted a policy that protects the privacy and confidentiality of protected health information (PHI) whenever it is used by company representatives. The private and confidential use of such information will be the responsibility of all individuals with job duties requiring access to PHI in the course of their jobs. You may request a detailed copy of our HIPAA Notice of Privacy Practices Policy.

Protected Health Information (PHI) Defined

PHI refers to individually identifiable health information, including but not limited to demographics, medical conditions, health status, claims experience, medical histories, physical examinations, genetic information and evidence of disability.

The HIPAA Privacy Compliance Officer

Aultman Speech Therapy Services, LLC has a designated HIPAA compliance officer (HCO), and any questions or issues regarding PHI should be presented to the HCO for resolution. The HCO is also charged with the responsibility for:

- Issuing procedural guidelines for access for PHI.
- Developing a matrix for personnel who will need access to PHI.
- Developing guidelines for describing how and when PHI will be maintained, used, transferred or transmitted.

Annual Activities Necessitating Use of PHI and Your Rights under the HIPAA Privacy Rule

Annually or more frequently as necessary, Aultman Speech Therapy Services, LLC provides assistance in insurance claims problem, resolution, and explanation of benefits issues; assists in coordination of benefits with other providers; update medical records as needed. Some or all of these activities may require the use or transmission of PHI. Thus, all information related to these processes will be maintained in confidence, and employees will not disclose PHI from these processes for employment-related actions, except as provided by administrative procedures approved by the HCO. General rules follow:

- Disclosures that do not qualify as PHI-protected disclosures include:
  - Disclosure of PHI to the individual to whom the PHI belongs.
  - Requests by providers for treatment or payment.
  - Disclosures requested to be made to authorized parties by the individual PHI holder.
  - Disclosures to government agencies for reporting or enforcement purposes.
- Information regarding whether an individual is covered by a plan for claims processing purposes may be disclosed.
- Information is being furnished for claims processing involving workers' compensation, ADA or FMLA status.

You have a right to request in writing a copy of your PHI unless otherwise prohibited by federal law.

Records Retention

Personnel records and disclosures of PHI will be maintained for a period of six years as required by federal law, unless a state law requires a longer retention period. Records that have been maintained for the maximum interval will be destroyed in a manner to ensure that such data are not compromised in the future in accordance with the company record destruction policy.
